Re: Full Admission – Bachelor of Business Administration - Finance, Winter 2027 Term

Congratulations!

We have reviewed your application and are pleased to offer you **full admission** to the **Bachelor of Business Administration - Finance** program at NAIT. You are joining a talented and diverse student body that is paving the way for future industry leaders in Alberta and beyond. We are thrilled to welcome you to the NAIT family!

Please read this entire letter carefully. We have included essential information about how to prepare for the next stage of your academic journey.

NEXT STEP: ACCEPT YOUR OFFER

To accept your offer and secure your seat, you must pay your non-refundable tuition deposit. This deposit amount will be applied to your account and will go towards your first-semester tuition payment. A variety of [payment options](#) are available.

- You must pay your \$500 tuition deposit before **July 10, 2026**. To pay before the deadline, log in to your [MyNAIT portal](#) and go to *Open Self Service*. Select *Financial Account* to access the *PayMyTuition Payment Center*. Then choose your financial institution (bank) location to be redirected to PayMyTuition, your secure payment portal.
 - **Heads up:** When you get to the PayMyTuition portal, your deposit amount won't pop up right away. Select the **Make Payment**, then click **Pay Now** under the Make a Deposit header. This will expand the section below to show your tuition deposit. Check the box, click **Pay Now** again to pay the deposit!
- If you don't pay your tuition deposit by the deadline, your offer of admission will be **cancelled** and your seat could be offered to another applicant.
 - To re-open a cancelled application for the same program and intake, please submit a [Re-open Application Request Form \(pdf\)](#). This form does not guarantee admission.
- The tuition deposit is non-refundable and non-transferrable.
- If you have applied or been accepted to *multiple* programs, [learn more about accepting your offer](#) to understand your options.

IMPORTANT INFORMATION

- If you wish to apply for advanced credit, explore NAIT's [Recognition of Prior Learning](#).
